## GLOBAL PERSPECTIVES ON LEGAL HISTORY

A Max Planck Institute for Legal History and Legal Theory  
Open Access Publication Series

This book offers a legal-historical examination of the construction of property in the province of Córdoba, Argentina, at the end of the 19th century. The author analyzes the interaction of the civil codification, Argentina's federal structure, and the systems for the official surveying of land and registration of property. In this context, she focuses on the privatization of the territories belonging to indigenous communities in Córdoba province from the 1870s to the early 20th century.
